

New York's *Legendary Saloon*

FRANCHISE INFORMATION

ABOUT US

Irishman Steve McFadden established the Famous McFadden's Restaurant and Saloon in New York City in 1977. Over 35 years later you can still find Steve enjoying a pint at the historic mahogany bar at the NY mainstay on the corner of 42nd and 2nd.

McFadden's has maintained its traditional Irish essence while establishing itself as a respected restaurant, after work meet up destination, and the ultimate party bar at night.

When the lights go down the party turns up! With an attractive, and fun staff customers are always guaranteed to have a good time! **Yelp says, "McFadden's is known as one of the best bachelorette destinations in the country!"** Through special events, theme nights, drink specials and live DJs there is something to celebrate every night at McFadden's Restaurant and Saloon.

Trip Advisor says "McFadden's is not your average every day Irish pub. The staff parties harder than the customers. Guaranteed wild time!"

THE BUSINESS CONCEPT

McFadden's goal is to become the top restaurant and saloon concept in the country. The enthusiastic and jovial staff invites customers to "Dine, Drink, and Party!" Our lively happy hour gives way to a robust and bustling nightlife, with live DJs setting the scene every Thursday through Saturday. McFadden's is the ideal pub-hub for crowds seeking a great meal and a spot where they can roll up their sleeves, loosen their ties, and drink an ice-cold drink among friends.

The McFadden's legacy continues every night when party-goers from cities across the country line up to experience the "wildest Irish pub on earth". Through select franchise partnerships, we have already established a profitable and successful brand through our 14 locations replicated from our proven business concept in New York.
